bright & fresh

Innovative thought and technological breakthroughs at the Our Ceramiche have led to the creation of a new collection of tile, Woodstrip.

This tile brings the warmth and pleasure of wood effects to tile surfaces.

This collection features tiles in colors ranging from gray to brown to white that offer styles from the rustic, slightly worn appearance of old wood to the dynamic, crispness of fresh cut pine. The color variety of this collection makes it ideal for creating atmospheres both eclectic and sophisticated.
